

WEF's Totalitarian Template is Judaism

April 20, 2023

Jews were the first victims of Judaism. Now, through Freemasonry, humanity is.

"Live and let live" is my credo. So I wonder what compels some people to want to enslave and despoil others.

The answer in this case is Cabalist Judaism which is based on robbing and enslaving the goyim and any Jew who fails to comply.

The Jewish Talmud consists of hundreds of laws governing the minute details of daily living.

See the COVID protocols in this light. We were told where we can go, where to stand, what we can do, and who we can see. The mask signified obedience.

People who fail to comply are *infidels* who must be quarantined and ostracized.

Get it? We have been inducted into Judaism, except in another form. Judaism is a Satanic cult -- Communism.

A satanic cult is about control. It exploits its members by corrupting and making them sick.

control.**

In

his book, *Jewish History, Jewish Religion: The Weight of 3000 Years* Israel Shahak explained that Judaism fostered a "closed society... one of the most totalitarian societies in the whole history of mankind."

The coercion anti-vaxers experienced is comparable to what Jews have felt for centuries from their own rabbis

and communities.

"Jewish women who cohabited with Gentiles had their noses cut off by rabbis...In religious disputes, those considered heretics had their tongues cut out."

Communists are not interested in winning adherents based on its merits. Their god is Satan. Communists are concerned only with obedience/observance. That's why they control information and discourse.

"Some may call it Communism, but I call it what it is: Judaism."
Rabbi Stephen Weiss.

CLOSED SOCIETY

According to Shahak, classical Judaism is inspired by the image of Sparta as it appears in Plato's Laws 942.

Judaism adopted the objectives Plato described in the following passage. (Shahak, p.13)

The principal thing is that no one, man or woman, should ever be without an officer set over him, and that no one should get the

mental habit of taking any step, whether in earnest or in jest, on his individual responsibility. In peace as in war, he must always live with his eyes on his superior officer...In a word, we must train the mind to not even consider acting as an individual or know how to do it.

(left, Israel Shahak, 1933-2001)

Shahak says the words "rabbi" and "officer" are interchangeable. In Communism, the sons of rabbis built a new worldly religion that mirrored the fanaticism and oppression of classical Judaism.

After visiting Bolshevik Russia in 1920, Bertrand Russell wrote to Lady Ottoline Morrell: "Bolshevism is a closed tyrannical bureaucracy, with a spy system more elaborate and terrible than the Tsar's, and an aristocracy as insolent and unfeeling, composed of Americanized Jews. No vestige of liberty remains, in thought or speech or action." (*The Autobiography of Bertrand Russell*, paperback ed. 354)

Shahak says Israel too is a "closed society" frankly dedicated to Jewish supremacy and hatred of non-Jews (<https://henrymakow.com/2013/12/israel-is-an-apartheid-state.html>). Jewish culture evinces little honest self-

examination lest Judaism's true malevolent character be exposed. Shahak writes:

"Classical Judaism had little interest in describing or explaining itself to its own members ... The first book on Jewish history proper (dealing with ancient history) was promptly banned and repressed by the highest rabbinical authorities... As a consequence, 200 years ago, the vast majority of Jews were totally in the dark about ... Jewish history and Jewry's contemporary state; and they were quite content to remain so....Jewish studies are polemics against an external enemy rather than an internal debate...When a whole society tries to return to totalitarianism, a totalitarian history is written." (p. 20-22)

Similarly, the West is returning to this Jewish model of totalitarianism. Mainstream discourse is tightly controlled. Pundits who stray from the party line are fired or forced to atone. We have become Jews under the yoke of Judaism (i.e. Communism.
(https://henrymakow.com/what_is_communism.html))

Illuminati insider Christian Rakowski
(<https://www.savethemales.ca/001830.html>) said the illuminati bankers created the Communist state as a "machine of total power" unprecedented in history.

In the past, due to many factors, "there was always room for individual freedom. Do you understand that those who already partially rule over nations and worldly governments have pretensions to absolute domination? Understand that this is the only thing which they have not yet reached."

Judaism is concerned with meaningless observances and legalities rather than morality or faith. The Talmud regulates "every aspect of Jewish life, both individual and social...with sanctions and punishments provided for every conceivable ...infringement of the rules." (Shahak, p. 40)

Far from being monotheistic, the Old Testament implies the existence of many Gods, and the Jewish Cabala includes many prayers and duties designed to propitiate Satan.

(<https://www.savethemales.ca/240902.html>)_ Other reasons for saying the Cabala is satanic are found here (<https://henrymakow.com/kabbalah-how-sex-became-our-religion.html>)_ and also here.

(https://www.henrymakow.com/the_god_of_the_cabala.html).

Communism is devoted to concentrating all wealth and power (https://henrymakow.com/what_is_communism.html)_ in the hands of the central banking cartel (the Rothschilds and their allies) by disguising it as State power.

The central banking cartel is the ultimate monopoly. It has an almost global monopoly over government credit. Its goal is to translate this into a monopoly over everything -- political, cultural, economic and spiritual. One world government = Rothschild monopoly = Communism. (https://www.henrymakow.com/what_is_communism.html)_ Communism is really monopoly capitalism. The Illuminati own or control everything.

CONCLUSION

Unknown to most Jews and Gentiles, Judaism is not the Old Testament religion people think it is. Every satanic cult has a cover. Like its manifestations -- Communism, Zionism and Freemasonry--

it is based on the Talmud and Cabala, which seek to supplant God and redefine reality. The Cabala reinterprets and contradicts the Old Testament. Only the "initiates" are privy to this secret.

The New World Order is about inducting humanity into Cabala Judaism, which is Satanism disguised as "secularism." Here are ten examples of this satanic possession

(https://henrymakow.ca/ten_signs_we_are_satanically_p.html). A satanic cult is the template governing change. It is the explanation for the invasion of privacy by the NSA, and the creation of a false reality which includes staged "massacres" aimed at disarming the people.

Organized Jewry is a Trojan Horse for this agenda, but thanks to Freemasonry, most other governments, religions and organizations

have also been subverted. Anti Semitism is a red herring designed to deflect blame from the Illuminati bankers and high ranking Freemason onto innocent Jews. Most everyone today is duped, manipulated and compromised.

For most of their history, Jews were held in mental and physical bondage by Judaism. The NWO is a recrudescence of this satanic feudal tyranny not only for Jews but for humanity as a whole.

In Shahak's words: "Israel and Zionism are a throw-back to the role of classical Judaism, writ large on a global scale...The road to genuine revolution in Judaism--to making it humane, allowing Jews to understand their own past, thereby re-educating themselves out of its tyranny-- lies through an unrelenting critique of the Jewish religion." p. 74

It also shows how Socialism and especially Communism were just devices to usurp power and property.

"The Jewish people taken collectively will be its own Messiah. His reign over the Universe will be obtained by the unification of the human races and through the elimination of frontiers.

A Universal Republic will come into being in which the Sons of Israel will become the directing element. We know how to dominate the Masses. The governments of all nations will gradually fall, through victory of the proletariat, into the hands of Judah.

All private property will become the possession of the princes of Israel-they will own the wealth of all lands. Thus will be realized the promise of the Talmud that when the time of the Messiah comes the Jews will hold under their keys the property of all the peoples of the world."

Christianity is the only objective universal law in all of religions. Christ said the Greeks were too superstitious. At its core, Christianity is the application of universal law to preserve peace. Christ was the prince of peace and provided the basis for the common law, a law that treats everyone equally. Our media, education and churches has twisted the meaning of Christianity into something unrecognizable.

We have two choices, (1) return to Christian law (2) Eat bugs in the cold while waiting in line for vaccinations so that our electronic money chips will permit you to buy more bugs to eat. This is putting it mildly. Communists are far sicker and much more cruel than any Hollywood movie could ever depict the Nazi's.

The sad thing is that most people are just too dumb to be able to see this, thanks to the corporate media and public education. We should not let them do to us what they have already done to the Jewish people. That is to destroy our minds and get us to adopt a suicidal philosophy.

What I simply cannot understand is why so very few so-called "alternative media" overlook, or fail to mention, the incredible ongoing relationship between China and Israel.

Is it simple cowardice, or ignorance? By now it should be more than self-evident to even the most dim-witted that Jews are way over-represented in the Biden administration, as they were in Clinton administration. @TALPIOTTALK.COM/CHINA was one of the very few sources that did emphasize "Israel's key role in China's geopolitical strategy to become the dominant world superpower."

It maintained that "Israel has sold us out to China." The site's owner got nothing but trouble for his efforts. The irony of it all: our alleged "greatest ally" is in reality is our greatest threat. We are being destroyed by a domestic enemy that the vast majority are completely unaware of, a domestic enemy that has placed itself above all honest criticism.

The one thing that no one on our side is mentioning is that this is in fact mental illness. There is a reason why narcissism was removed from the DSM. (Diagnostic & Statistic Manual for Mental Illness).

This happened in the 70's when there was a book on the bookstore shelves (that I couldn't afford at the time) about how the establishment was going to set the barbarians free or let them run wild - I forget the wording.

Unlike colds and the flu, mental illness IS contagious. Very intelligent and disciplined people fall victim to this illness.

We just don't have people from the medical profession who can speak with authority on this subject because most are Jewish, just like the lawyers, they cannot speak out or are nuts themselves. The people running us into the ground are crazy. Myself and many (too many) Canadians can speak to first-hand experiences that lead to a doubt free conclusion about people in these high places being nuts.

You are as usual about 90 percent correct. The ONLY area you have not included is what scripture, the word of God and His Christ, has said and is written. Satan and his disciples will fail as the One and Only Lord and Saviour Jesus Christ Who is Also God- known and named as Immanuel (meaning GOD WITH US) and as GOD Manifest in the Flesh, see 1 Timothy 3:16. Will NOT allow the New World Order to materialize. GOD and His Christ have far greater power than Lucifer-Satan-The Dragon and any power he and his disciples can muster. I can assure you Dr. Henry that soon all "Kings" the Nations of this evil world will give their power to the BEAST mentioned in scripture. Jesus Christ The True and Only Rabbi- and Messiah, will judge them all and then He will destroy all of those that will follow The Beast (anti-christ). You have personally written the the western nations are Satanists, this includes the Royals (Black Nobility) and many fake christians like christian zionism and the Scofield Bible teachers.

I have learned a great deal from you and I have investigated many of them. I never checked out Pastor Marrs as he only sold his videos and books to support his investigations. The Afrikaner has also been deceived by the freemason and Calvinist teachers. But GOD and His Christ will not ALLOW any other gods to enthrone them on Jesus Christ's Throne

Christian Rakowski said the Illuminati bankers created the Communist state as a "machine of total power" unprecedented in history. They also gave us the Federal Reserve Act, passed on December 23, 1913, when most of Congress were in recess for the annual celebration of Christmas, the supposed birthday of Christ. In actuality, Christ wasn't born anywhere near December 25 (He was probably born in late September).

The ancient pagan Romans celebrated December 25 as the Natalis invicti solis, the birthday of the unconquered Sun. Demons associate themselves with objects of worship. Beelzebub, or Satan, has always associated himself with the sun. It is very interesting, therefore, that one of the curses listed in Deuteronomy 28:43-44 for national apostasy and idolatry is the loss of national sovereignty to a foreign financial power.

And it was while our congressional representatives were celebrating the annual birthday of the sun god Baal (Satan), that we lost our national sovereignty to a foreign financial power. Likewise, the vast majority of professing Christianity today observes other religious holidays that can all be traced back to the same Baal worship, Sunday worship being a prime example. We have unwittingly taken on the worship of the sun god Satan, or Baal, by adopting all of his religious holidays. This is the real reason we are currently witnessing everything associated with ancient Baal worship: extreme sexual perversion, human sacrifice, cannibalism, etc.

Mark Glenn's comment below on Deuteronomy 7:1-8: "How do you reconcile passages such as this, (and others) found within the Old Testament, (Torah) which clearly outlines the Judaic mindset and agenda in murdering, stealing, etc?"

What an incredibly benighted statement by Mark Glenn! If you're going to cite Old Testament passages, those passages must be taken in their historical context, not lifted completely out of context and interpreted in a historical vacuum. If you listen to biblical critics like Mark Glenn, you get the impression

that the Canaanites were the morally innocent victims of an unjust, bloodthirsty, and vengeful God. If you actually want to know what the ancient Canaanites were up to, read Deuteronomy 18:9-14. The Canaanites had reached such a level of moral degeneracy that they had become "worthy of death" (Romans 1:32). The "Judaic mindset" Glenn refers to is NOT the product of the Old Testament, it's the product of the spin put on the Old Testament by the Talmud, which is a complete abrogation of the entire Bible.

So, I've always made space for Yiddisher suffering. & many of them were real great folk.

I made this crack to a Jewish friend of mine:

"Roses are reddish,

We'd all be Jewish".

His quick retort was, we're all Jewish because of Jesus!

What's puzzled me about Jews, who without a doubt have turned out some of the greatest brains & wealthiest people, is that no one seems to question their rabbis &/or religious beliefs*. Now I know why.

Dan said (January 14, 2016):

As can be seen from comments coming in, Christians today have different impressions of the same scriptures in the 'Old Testament' of Christian Bibles.

If two Modern Christians don't agree on what they get from the 'Old Testament', they're even more off track when it comes to knowing what Modern rabbis and Israeli Prime Ministers mean by "Torah"

American Christians think modern Judaism consists of the 'Old Testament' of their Christian Bibles and Bible story movies. So when they hear rabbis or Netanyahu speak with sanctimonious reverence to 'Torah', they envision Jews bowing their heads in prayer to the Christian image god of the Ten Commandments of Exodus. They don't know that when rabbis refer to 'Torah' they refer to the Mishneh Torah: fourteen books derived from the first five Mosaic texts, but expanded into minute legal details. It was written in the Middle Ages, supposedly written down from a long oral tradition of the secret doctrines of Moses. Rabbinical Judaism considered the face-value Bible stories as window dressing for children. It's a 'coded document' containing the secret code of laws for governing the world.

Much of it is micromanagement of dealings with goys. (English translations replace goys with 'Gentiles'.) I'm not going to cherry pick the more insulting or frightening passages - those are plastered all over the internet, and kill meaningful conversation. There are chapters solely devoted to Jewish laws for goys that call for capital punishment. But many of the details grant goys some loopholes too:

--quote from Mishneh Torah, Chapter 9--

A goy is not executed for adultery with his colleague's wife unless they engage in relations in the normal manner after she had engaged in relations with her husband at least once. However, if she was merely consecrated or had undergone a wedding ceremony, but had never engaged in relations with her

husband, one is not liable for engaging in relations with her, as Genesis 20:3 states: 'For she has been possessed by her husband.'

--unquote--

Whether or not that's a reasonable law doesn't matter, because these medieval rabbis had no authority to write laws for the whole world - or at least as far as the goys were concerned, but none were consulted. That they did can only mean they considered the whole world their jurisdiction. This is typical of theocratic thinking.

For those who haven't been keeping up with current events, say, for the last hundred years or so, our legal system in the West has become Talmudic right under our noses. That's why the US Constitution amounts to toilet paper in the 21st century.

(Following; Prime Minister of the State of Israel, Ben Gurion, LOOK Magazine, USA, 1962)

"In Jerusalem, the United Nations will build a shrine of the prophets to serve the federated union of all continents; this will be the seat of the Supreme Court of Mankind, to settle all controversies among the federated continents, as prophesied by Isaiah".

It seems to me there is an unravelling occurring. One thing is leading the police to the next. As it is officially admitted, witnesses who were far too frightened before, are starting to come forward. Many people in the past have been strung up in court and given long sentences for child abduction in this country, but I believe they were all acting as kind of freelance agents. 3) the "giants", who were the offspring of the "fallen angels", were occupying the land at that time as referenced in the Book of Joshua.

I think it's important to define terms, e.g. "Judaism", "Classic Judaism" so that people do not confuse the Old Testament definition with what people call Judaism today.

Judaism in the Old Testament was not the totalitarian theme described in this article. In fact God never even wanted sacrifices, Sadducees, Pharisees, and other trappings, just loving free-will worship. Jesus

Christ fulfilled the law, so technically OT Judaism was fulfilled and ceased to exist. New Covenant replaced the Old.

We really approach a kind of "danger zone" when we refer to these satanic apostates of the NWO as "Jews".

The truth of the matter is that they are not Jews of Judaism at all.

We really misrepresent the Old Testament by trying to say that Judaism is the "core theology" that is driving force behind Communism and the NWO.

Not true at all! Those are man made doctrines.

It is also wrong to say that the God of the Old Testament is only the God of the Jews and not the universe.

Did Jesus Christ himself accept or refer to any other God than the God of the Old Testament? If he did, I must have missed that one.

Jesus Christ also made the distinction between the Jews and the Synagogue of Satan in the Book of Revelation.

If there is no such thing as a good Jew than it would be impossible for you to be a Christian.
